

### **BUCS Order of Merit Tournaments – Selection Policy**

This season we will likely compete in 5 Scottish OOM tournaments and 1 English tournament, these being

- The Stirling Invitational
- Ladybank Order of Merit
- Fife Order of Merit (Crail)
- The Exeter Invitational
- Dundonald Order of Merit
- Scottish Championships (Moray)

These tournaments are balloted by handicap for entry purposes.

- Players in the Saints Golf Performance Programme will be automatically entered into all OOM tournaments and expected to play should they meet the required handicap ballot. For a player not to compete they must have a valid and approved reason and must communicate this at the earliest possible opportunity.
- Players not in the Saints Golf Performance Programme that wish to play and meet the handicap ballot requirements must speak to the Director of Golf and communicate their wish to be considered for entry.
- The exception to these procedures will be the Exeter Invitational where a smaller team will be selected by the coaching staff to travel.
